9

phrasal verbs to talk about **plans & decisions**

1) to sleep on something

= to wait and think about something before making a decision

Example: If you are not sure whether to sell your headphones or not, you can sleep on it.

2) to do without something

= to live without something

Example: I would never sell my phone, because I can't do without my phone.

3) to weigh up something

= to think about something, consider both the positive sides and the negative sides and then weigh them up to see which one is stronger

Example: I have been offered a job in a new town. I need to weigh it up carefully.

4) to run something by somebody

= to tell somebody about what is happening and to ask for their opinion

Example: You'd better run this issue by you family.

9

phrasal verbs to talk about **plans & decisions**

5) to think ahead / to plan ahead

= to think / plan before something happens, to think and plan about what you want to do in the future

Example: When you want to immigrate to another country, you have to think and plan ahead.

6) to think something over

= to think about all aspects of something before making a decision

Example: If you want to invest all your money in a new company, stop and think it over.

7) to think through

= to think about the possible consequences

Example: He wants to make a huge investment, so he is thinking through this decision.

8) to bargain for something

= to expect something to happen

Example: I didn't bargain for it = I didn't expect this to happen

9) to chicken out

= to stop doing something in the very last minute, because you are frightened

Example: I wanted to do bungee jumping, but I chickened out and quited!
